This well-built 4-bedroom, 3-bathroom home offers a comfortable layout with a blend of modern construction and traditional features such as exposed beams and a wooden staircase. The entrance opens into a bright dining room with a wood burner that heats six radiators. The ground floor is tiled and double glazed throughout. From here, you move into a well-equipped kitchen with pleasant views over the garden. The lounge, also featuring exposed beams and a log-burning stove, opens onto a rear terrace. On the ground floor there is a wheelchair-accessible double bedroom with en-suite shower room (shower, basin and WC), as well as a separate guest WC, making it ideal for visiting guests or multi-generational living. Upstairs, the spacious landing provides room for a sitting area or office space. There is an additional room currently used as an office, which could also serve as a single bedroom. The first floor also includes a master bedroom with en-suite and a second good-sized double bedroom, also with its own en-suite. Outside, the property benefits from countryside views and practical outbuildings including two sheds with a carport between them, a third shed and a wood store. Located just 6 km from Nontron and its amenities, the property offers a rural setting while remaining conveniently close to town.
