Описание:

Privileged location and outstanding agricultural potential, the highlight is its traditional orchard, rich in native trees: 30 almond trees and 6 fig trees among others, enhancing the landscape and which can provide abundant harvests year after year. A versatile plot, combining excellent natural drainage and ideal conditions for a wide variety of crops.

Although construction is not permitted, this land is perfect for those wishing to invest in agriculture, develop an ecological project, or simply enjoy the tranquillity. A rare opportunity for those seeking to combine profitability, nature, and quality of life in the heart of the Algarve.

This property is an exceptional opportunity for anyone who values the land and close contact with nature.
