Описание:

Urban Plot for Sale with Panoramic Views - Build Your Dream Home in a Luxury Development Looking for the perfect urban plot for sale in a prime location? This fully urbanized and ready-to-build plot of 1,665 m<sup>2</sup> is a rare opportunity to create your dream home in one of the area's most prestigious developments—where high-end, luxury properties are already being built. This south-facing plot offers spectacular panoramic views—ideal for enjoying sunrise coffees or sunset dinners with a view. Whether you're planning a modern villa, a holiday retreat, or a smart real estate investment, this plot gives you the freedom to bring your vision to life. Water and electricity connections already available at the plot boundary No overhead cables - clean aesthetics and uninterrupted skyline Buildable area of 333 m<sup>2</sup> of roof surface Free choice of architect and builder - total flexibility for your project Located in a secure, high-value residential area with rising demand This is not just any building plot for sale—it's a chance to invest in property in a location known for its privacy, exclusivity, and breathtaking natural surroundings. We're happy to provide more information, inspiration, or a visit to the site. Get in touch today and discover what makes this plot a truly exceptional opportunity in the luxury property market.
