Описание:	

This stunning recently refurbished townhouse is located in the heart of the resort, conveniently set just a stones throw to the spa, gym and pool areas. From the front door there is an entrance hall that gives access to a large dining and living area with a log burning fireplace and lots of natural light through the large windows doors that open onto an elevated south facing balcony; the perfect place to enjoy a meal in the sun. There is also a fully equipped kitchen, a double bedroom and a guest's bathroom with toilet and shower. On the second floor there are two further large double bedrooms, both with private south facing balconies, and a shared family bathroom on this level also. All the bedrooms have built-in wardrobes and enjoy plenty of light. This is a great property for full time residence for golfers or non golfers alike, as a holiday home, or a sound investment opportunity for the rental market.
