Описание:

This spacious property stands out for its charming facade, perfect for restoration, and offers enormous potential for a complete rebuild. The interior is not habitable and requires reconstruction. It includes a living and dining room, kitchen, three bedrooms, one bathroom, and a closed garage with a storage area.

The property has access via a tarmac road with all main services ready for connection, ensuring total convenience. The land is flat and adorned with typical regional fruit trees, offering open views over the countryside and creating a serene atmosphere.

Unbeatable location: just a few minutes from the Train Station and only 7 km from Quarteira and Vilamoura, with their stunning beaches, excellent services, and vibrant lifestyle. The city of Loulé is just 5 km away, providing all everyday conveniences. The perfect balance between proximity and tranquillity.

The entire plot is classified as Urbanisable Areas to be Structured under the Municipal Master Plan (PDM), allowing for the possibility of subdivision and the construction of townhouses or independent units. Ideal for those seeking a secure, profitable investment with great potential.
