This 2-bedroom apartment in Pendao, Queluz, is currently undergoing a complete renovation and is perfect for those seeking a ready-to-move-in home that offers comfort, efficiency, and a practical location for everyday living.

Just 5 minutes from Queluz train station, with quick access to the IC19. The surrounding area features a wide range of shops and services, including schools (Escola Basica do Pendao), supermarkets, pharmacies, cafes, and public transport.

Housed in a straightforward 1950s building with only six units across three floors, the apartment is on the raised ground floor and has no elevator. It includes a basement storage room with a window and access to a shared backyard, with each unit having a designated private area.

The renovation is extensive and includes:

- Completely new electrical installation

- New water supply and drainage systems
- PVC windows and shutters with thermal insulation
- Vinyl flooring throughout the apartment
- Ceramic wall and floor finishes in the kitchen and bathroom

The renovation is scheduled for completion in late January 2026, allowing the future owner to enjoy a property upgraded to modern comfort standards.

With dual exposure (east and west), the apartment receives excellent natural light and has a functional layout. The west-facing side features the kitchen, full bathroom, and main bedroom, offering open views over Queluz, Monte Abraao, and the courtyard. The east-facing side includes the second bedroom and the living room, both with windows overlooking Rua Luis Simões, ensuring abundant natural light throughout the day.
