Описание:

Completely refurbished building in the Historic Area of Downtown Setúbal (next to Praça do Bocage). In total ownership, however, it has three completely independent floors: ground floor and 1st floor with 2 bedrooms, 2nd floor with 3 bedrooms. Ideal for housing or services. Composed of the best materials in terms of organic quality, resistance and acoustics, this building proves to be a unique construction, for the reuse of original elements, such as tiles and Roman arches, in the composition of a solar architecture and new energies.

A place where, without a doubt, History is rewritten with the colours of a city of sea and a genuine way of living.
