Описание:

Set in unspoilt natural surroundings, this prestigious chalet reveals an elegant silhouette, where Alpine authenticity meets contemporary lines.

More than a residence, it's a living space designed to sublimate every moment, between absolute comfort and breathtaking panorama.

Behind the door, emotion immediately sets in: old wood tells a story, glass lets in light, volumes open up to give an impression of freedom. Here, every detail reflects a rare attention to detail, and every material has been chosen to create a refined, timeless atmosphere.

With more than 550 m², this chalet offers vast rooms bathed in light and a fluidity that invites conviviality. The six bedrooms, all designed as private suites, offer a cocoon of tranquility, in a hushed atmosphere that calls for rest.

Luxury continues in a world dedicated to relaxation: indoor pool, spa, sauna and fitness room. These spaces, co-owned with two chalets, extend the promise of a life dedicated to rejuvenation and balance.

A garage for four vehicles, a wine cellar and a separate apartment complete the ensemble, affirming the practical and exclusive dimension of this property.

More than a chalet, a unique living experience in the heart of the Alps!

This exceptional chalet is available to Swiss customers only.
