Umag, studio apartment with sea view!

In an extremely sought-after location in the very center of Umag, just 100 meters from the sea and the well-maintained beach, there is this comfortable studio apartment with a beautiful sea view.

Located in a modern residential building with an elevator, the property is an ideal choice for a young couple, but also an excellent opportunity for a tourist or long-term rental.

The apartment has an area of more than 36 m² and is very functionally and pleasantly furnished, with enough space for a living room, bedroom and dining room in one open concept. Thanks to the good layout and abundance of natural light, the space feels spacious and warm. A special advantage of the apartment is the exceptionally large bathroom, a rarity among studios, which further contributes to the comfort of living. The apartment also comes with a storage room located on the ground floor of the building, which is extremely practical, especially for staying by the sea. The proximity of the beach, all city amenities and a beautiful sea view make this property an excellent choice for personal use or a safe investment with excellent potential.

Don't miss the opportunity, contact us to view this exceptional studio apartment!
