## Location

Built in 1986 the Sands Beach Resort hugs the beachfront and slopes gently down to the sea with 366 properties embracing six large plazas, 5 of which have both a large pool, and a children's swimming pool set amid a scattering of cool shady palm trees. The sixth plaza has a spectacular training pool. Beyond is the private beachfront with a sandy crescent around a seawater lagoon.

Costa Teguise is Lanzarote's family resort, with a fabulous selection of bars, shops and restaurants, a golf course and water park. Las Cucharas beach is world class with all facilities and a sheltered bay area. Scuba diving and windsurfing are the most popular sports. There are both international and local schools in the resort, and Arrecife is only 10 minute drive away.
