The property is in the last finishes, being delivered completely ready, it was fully intervened, keeping only the four original walls. The entire structure was renovated, including roof, windows, electrical installations and plumbing, kitchen and bathrooms, ensuring comfort and tranquility for many years.

It has a pleasant social area in open space, where living room and kitchen integrate harmoniously. The kitchen is equipped with new basic appliances, already included in the price, providing a practical and ready-to-live-in solution.

It also has two bright bedrooms and a modern bathroom.
