Описание:

Nestled in the charming hillside hamlet of Sarnadas, just a short drive from Alte, this unique T1+1 villa is a rare find beautifully restored, thoughtfully modernised, and brimming with character. The energy rating has come back with an impressive B-.

Lovingly renovated from top to bottom, this homes transformation was documented in a widely viewed YouTube renovation series that has attracted over 14 million viewers worldwide, making the journey as celebrated as the result. Every detail honours the propertys authentic soul while elevating its comfort and performance.

The villa features one bedroom plus a versatile mezzanine floor currently set up as a cosy seating area with a pull-out sofa perfect as a guest bedroom, a home office, or creative space. A high-efficiency stove heater and double insulation ensure this home stays comfortable year-round.

Original elements like classic doorways and doors have been preserved to retain timeless charm. The spectacular south-facing panoramic terrace is a standout feature, where youll find a traditional Portuguese BBQ and pizza oven ideal for long, sun-soaked meals and alfresco gatherings. A raised vantage point on the terrace captures the last golden light of each day.

Practicality meets peace of mind with both private on-street parking and a covered parking space currently used as storage a perfect setup if youre seeking a true lock-and-leave home.

Sarnadas itself is an idyllic gem in the mountainside, rich in heritage and surrounded by nature, yet still within easy reach of local amenities and the Algarve lifestyle. - REF: PPH4416
