## ABOUT THE AREA

The Orchard Golf and Country Club is a premier residential and recreational estate located in Dasmariñas, Cavite, just south of Metro Manila. Known for its lush greenery and expansive open spaces, it offers a sophisticated sanctuary for those looking to escape the dense urban congestion of the capital. The development is famously situated on what was once a thriving mango orchard, a heritage that is preserved through the hundreds of mature trees that still line its fairways and residential streets, providing a cooler, fresher microclimate than the surrounding city.

At the heart of the community are two championship 18-hole golf courses: the Palmer Course, designed by Arnold Palmer, and the Player Course, designed by Gary Player. These courses have hosted prestigious international events, including the 1995 Johnnie Walker Classic, and are renowned for their challenging layouts and pristine maintenance. For residents and members, the club serves as a central social hub, featuring a grand clubhouse, multiple swimming pools, tennis courts, and fine dining facilities that cater to an active, upscale lifestyle.

The Orchard is highly regarded for its strict security and well-planned infrastructure. Divided into several distinct phases, the residential areas feature wide, paved roads, underground utilities, and efficient drainage systems. As a gated community, it provides a safe, quiet environment where 'privacy is guaranteed,' making it a top choice for affluent families, retirees, and expatriates. Its location in Dasmariñas places it within easy reach of top-tier schools, modern hospitals, and high-end shopping centers, balancing rural tranquility with urban convenience.

The primary gateway for international and domestic travelers is Ninoy Aquino International Airport (MNL) in Manila, located approximately 27 km (17 miles) to the north; depending on traffic and the use of the Skyway or MCX, the drive typically takes between 45 to 90 minutes. For those traveling via low-

cost carriers or seeking an alternative entry point, Sangley Point Airport (SGL) in Cavite City is closer (approx. 20 km), though it primarily handles domestic and general aviation. Additionally, Clark International Airport (CRK) is located about 120 km to the north for those arriving from further afield.
