MARBELLA / MIJAS OFF PLAN APARTMENTS

a unique project of just 59 homes, distributed in inviting 1, 2, and 3-bedroom layouts, designed for those who dream of living in a privileged setting. Its spaces are designed to offer a sense of tranquility to those who appreciate peace, comfort, and a connection with nature, with spacious terraces where sea and mountain views blend seamlessly with the blue horizon of the Mediterranean. Just 10 minutes from the sea, the apartments offer the advantage of proximity to both the beach and the mountains without sacrificing the peace and quiet of a residential environment.

The heart of the complex is its immense garden and communal areas, a large green space where you can lose yourself, relax, or stroll in the sun, enjoy the Mediterranean climate, unwind, and disconnect from the urban pace. The development also includes an infinity pool—ideal for enjoying sunsets with sea views—a gym, and communal areas designed for leisure and well-being, perfect for savoring outdoor living year-round.

Each home includes a parking space and storage room, providing convenience and practicality from day one. The unique location and sensational views of the Mediterranean complete the experience: a home where the sea, nature, tranquility, and comfort blend to create a privileged living space.
