Описание:	

This 212m² build 4 bedroom property, with a generous 344m² plot, is situated in the sought after village of Santa Ana, just a few minutes drive from the historical city of Alcala la Real in the south of Jaen province in Andalucia, Spain. Located on a quiet street you enter the substantial property into a bright, wide hallway with a lounge on the right off which is the fitted kitchen diner that includes a small passageway leading to extra storage and a pantry. From the rear of the kitchen you have access out onto a patio space and to your extensive level garden with plenty of room to add a pool. The outside space includes 2 large storage buildings as well as a shower room, this area to the side of the property has its own street entrance so it would be possible to convert those outbuildings into a large garage and workshop. Back in the hallway, to the left is a ground floor double bedroom with a spacious ensuite shower room then a quality staircase takes you to the first floor landing from where you have 2 good size double bedrooms, a single bedroom and a storage room. Ready to move into and update with room to add a pool, a garage / workshop or more living and entertainment spaces.
