Описание:

Eco-friendly timber house with near energy self-sufficiency – Épargnes (17)

Just 1 km from the village of Épargnes, this timber-frame house built in 2012 offers 120.5 m² of living space on over one hectare of agricultural land.

It features a bright and spacious living room with open kitchen, 3 bedrooms including a master suite with private shower room and WC, a versatile room, a utility room, a second independent shower room, and a separate WC.

Comfort and efficiency are key: reversible air conditioning in the living room, electric radiators in the bedrooms, solar-powered shutters, photovoltaic panels providing near full energy autonomy, water softener, electric gate, wooden terrace, and detached garage.

Set in peaceful surroundings with distant views of the estuary.

Perfect for a family or an eco-conscious lifestyle project, just 10 minutes from Cozes and 20 minutes from the beaches.
