Описание:

Renovated Pombaline in the best location.

This exceptional one-bedroom apartment is situated on the 4th floor and features an entrance area connecting to a kitchenette and living room, as well as one bedroom and one bathroom. It includes a small north-facing outdoor space measuring 0.90 m².

Built in the early 20th century, this charming Portuguese residential building is located in the heart of one of Lisbon's most vibrant areas. It has been revitalized through a rehabilitation project designed by a renowned Portuguese architectural firm. The combination of old and new architectural elements creates a unique experience in a modern, cosmopolitan setting.

This project takes full advantage of the building's fantastic location, making it an ideal choice for someone seeking a trendy local lifestyle.

The area is perfect, being close to some of Lisbon's most iconic attractions and well-connected to all corners of the city.

Just a few meters away is Avenida da Liberdade, Lisbon's main avenue, home to a variety of distinguished brand stores. Fine restaurants, fashion boutiques, art galleries in Principe Real and Chiado, and the vibrant nightlife of Bairro Alto are all within a 5-minute walk.

A short stroll will also bring you to several major historical sites, such as Praca do Comercio, or allow you to relax by the expansive Rio Tejo (Tagus River).

Embrace the essence of city life!

The apartment can be sold fully furnished and decorated.
