Описание:	

Two adjacent land plots are available for sale in a prestigious and tranquil area just 20 minutes from Limassol, offering a rare opportunity to build in a truly exceptional setting. With building density of 41% and 15% on one plot and 59% and 10% on the other, the land sits on one of the highest and most scenic points in the region, boasting a unique 340° panoramic view that includes the sea, mountains, and a protected green valley. The plots have already been leveled and prepared for construction, saving significant time, effort, and cost for the future owner. They border state-owned, beautifully maintained parkland featuring stone-built walls, cleaned terraces, and preserved pathways, with direct access available only from the plots, ensuring unmatched privacy and exclusivity. This is an ideal location for a luxury villa, private estate, or peaceful retreat, combining breathtaking views, prestige, and absolute serenity.
