Описание:

Villa HG is a newly built luxury mansion set in the heart of La Quinta's prestigious Golf Valley, offering panoramic sea and golf views from its elevated south-facing plot. Completed in 2025, the villa features 7 en-suite bedrooms, 8 bathrooms, and 1,605 m² of refined living space designed with exceptional attention to detail.

A striking double-height entrance hall with skylight leads to elegant living areas with fireplaces, a gourmet kitchen with separate chef's kitchen, and expansive terraces overlooking the landscaped gardens and 20-metre infinity pool. The upper level hosts a magnificent principal suite and four additional bedroom suites, each with private terraces.

The lower level is dedicated to leisure, including a private spa with heated indoor pool, cold plunge, hammam, gym, wine cellar, cinema, and games room. With underfloor heating, aerothermal energy, lift access to all floors, and a three-car garage, this exceptional villa offers privacy, sophistication, and the ultimate Marbella lifestyle just minutes from golf, Puerto Banús, and the coast.
