An attractive property, characteristic of the Podvelebit architectural style, consists of two buildings and an inner courtyard. The larger house, which also serves as a wall facing the road, includes two one-bedroom apartments, each with a living area and two bathrooms. The central part of this property is an inner courtyard, ideal for daily activities, from which one can enter the second building that features two rooms, each with its own bathroom. External stairs lead to a terrace offering a panoramic view of the town of Novi, the island of Krk, and the sea passage separating them. This unique property, with a total living area of 105 m², seeks a discerning buyer who will recognize its potential and further enhance it through possible architectural solutions....
