Split, Manuš, apartment located in the attic of a building from 1927 in an attractive location. The total area of the apartment is 100 m² and, thanks to its layout and position, offers exceptional potential for decoration according to your own wishes. The apartment currently consists of two bedrooms, two bathrooms, a hallway and a large open space living room with access to a beautiful terrace. The three-sided orientation to the north, south and west allows for plenty of natural light throughout the day, which makes the space more comfortable. The property requires complete renovation, and the seller provides an architectural basis with proposals for renovation, which can make it easier for the future owner to plan and implement the adaptation. Thanks to its exceptional location near the city center, this property represents an excellent opportunity for both housing and investment.
