Property with potential and beautiful views near Svishtov

We present to your attention a property in the communicative village

Ovcha Mogila, located in the Danube plain, famous for its healing mineral water and sanatorium. The settlement is located near the main road Sofia-Pleven-Ruse, 30 km from the municipal center - Svishtov.

The property is built in the high part of the village with a beautiful panoramic view. The house (90 sq.m.) is one-storey, consisting of:

- Hallway
- Three rooms
- Annex with entrance hall and summer kitchen
- Basement

The flooring and window frames are wooden.

The garden (2000 sq.m.) is flat, with outbuildings, a well and a gazebo for relaxation.

The village of Ovcha Mogila is located in the middle part of the Danube hilly plain, in the southern part of the municipality of Svishtov, 13 km northeast from Levski and 48 km northwest from the regional center - Veliko Tarnovo. The village is situated on mostly flat terrain in the vast valley of the Barata River, with a deposit of mineral water.
