Описание:

In a quiet and sought-after residential area of Poissy, just a 15-minute walk from the train station, discover this spacious 168 m² stone house (excluding convertible attic space), ideal for a large family. On the raised ground floor: a bright dual-aspect living room with fireplace, a fitted kitchen with direct access to the garden, one bedroom with en-suite shower room, and a separate WC.

On the garden level: two bedrooms with private shower rooms and independent access (rental potential around €500/month each), a laundry room, large garage, WC, and wine cellar.

On the first floor: three large bedrooms with balcony access, a study, a bathroom with WC, and a shower room with WC.

The attic offers great potential for creating two additional bedrooms.

Enclosed gardens at the front and rear, in a peaceful area close to shops, schools, and the Saint-Germain-en-Laye forest.

A spacious home full of possibilities – not to be missed!
