Описание:

If you're looking for a well-maintained, immediately habitable house with a garden and a large garage/workshop, read on. The main level consists of a separate kitchen with an adjoining dining room, a living room with two bedrooms, and a bathroom with a separate toilet. On the garden level, you'll find a summer kitchen, a dining room, a bedroom, a bathroom, and a large pantry. On the garden side, you'll have access to a large terrace and a spacious 40 m² garage/workshop with an electric door and a well. Technical details: full double glazing, electric shutters with central locking, insulated attic, gas central heating, electrical systems up to standard, a sound roof redone in 2016, and a public sanitation system up to standard.
