#### Описание:

This substantial and characterful stone property, set in the heart of a charming French village, offers exceptional value and remarkable versatility. The property comprises a traditional three-bedroom village house, each bedroom benefiting from its own en-suite, alongside a beautifully renovated four-bedroom gîte, also with en-suite facilities throughout. In addition, there is a further smaller gîte ready for renovation, presenting excellent potential for expansion or additional income. A range of useful outbuildings accompanies the property, including a large attached barn, a workshop, and additional clad storage spaces ideal for a variety of projects or business uses. Unusually for a central village location, the property enjoys an expansive plot of approximately 4,000m<sup>2</sup>, offering generous outdoor space including courtyard, privacy, and scope for landscaping or leisure use. Ideally situated just a few minutes' drive from the popular market town of Chef-Boutonne, the property provides flexible accommodation perfectly suited to multi-generational living. Alternatively, subject to the necessary permissions, it offers excellent potential to operate as a gîte complex or chambres d'hôtes business. A rare opportunity to acquire a versatile and spacious property in a sought-after location.
