#### Описание:

Positioned within a pleasant residential setting, this well-proportioned three-bedroom home offers a fantastic opportunity for first-time buyers, growing families or investors alike. Combining practical living space with a well-balanced layout and the added benefit of a detached garage.

The property opens into an entrance porch, leading through to a comfortable living room where a front-facing window allows for plenty of natural light, creating a warm and inviting space for everyday living. A useful understairs cupboard enhances practicality, while the layout flows seamlessly through to the kitchen at the rear. Fitted with a range of wall and base units, the kitchen offers ample preparation space and direct access out to the garden, making it both functional and well-suited to modern lifestyles.

To the first floor, three well-proportioned bedrooms provide flexible accommodation, ideal for families, guests or those working from home. The bathroom is fitted with a bath and overhead shower, complemented by a clean, fully tiled finish.

Externally, the home continues to impress with a low-maintenance front garden, while the rear garden enjoys a south-easterly aspect, offering a pleasant mix of lawn and patio space. Perfect for relaxing or entertaining during the warmer months. A detached garage, located nearby, adds further practicality and valuable storage or parking.
