Описание:

Renovation project: villa in La Fustera, Benissa Costa. 4 bedrooms, swimming pool, garden, Mediterranean design, close to the beach, property on the northern Costa Blanca.

This renovation project in La Fustera (Benissa Costa) transforms an existing villa into a modern Mediterranean house. The location on the northern Costa Blanca combines tranquillity with proximity to the beach, restaurants and amenities.

Description

A comprehensive redesign is planned, focusing on spacious living areas, clean lines and natural materials. The villa features 4 bedrooms, 4 bathrooms and 2 guest toilets. Two separate living areas on different levels provide flexibility. The open-plan kitchen with dining area is designed for communal living. An architectural staircase connects both floors. Outside, terraces, garden areas and a pool area are being created. The concept is complemented by a private wellness area with a hot plunge pool in the garden. The house benefits from a bit of sea views. It will be equipped with air conditioning and heating with aérothermal fan coil system (energy efficient), double glazing, outdoor shower, heat pump, summer kitchen, irrigation system, alarm etc.
