#### Описание:

This T2 with an intimate and charming outdoor space, accessible directly from each of the two bedrooms, is a small corner of tranquility, out of sight, an invitation to relax perfect for enjoying a coffee, reading in peace or sharing special moments in complete serenity.

Inside, the apartment reveals a magnificent living and dining room bathed in light thanks to its south-facing exposure. The high ceilings sublimate the volumes and bring a feeling of space and elegance, creating a living environment that is both warm and refined.

Completely refurbished with taste, this property combines Lisbon charm and modern comfort. Located in a typical travessa, it offers a peaceful environment while being in the heart of the city. Carefully furnished, it is ready to be lived in immediately.
