Luxury and Privacy in the Midst of Nature: Your Refuge in the Pires Neighborhood

Luxury and Privacy in the Midst of Nature: Your Refuge in the Pires Neighborhood

Imagine living on a large plot of approximately 1,500 m², where modernity meets the tranquility of the countryside. This unique residence in Bairro dos Pires offers a smart layout with porcelain tile finishes, plaster and tempered glass doors (blindex). The main house is bathed in natural light, with an imposing living room integrated into the American kitchen.

The great differential is the independent annex, a second house complete with air conditioning and planned kitchen, ideal for receiving visitors with total privacy or for multifunctional use.

Leisure is a chapter apart: a robust gourmet area with a "trio mineiro" (barbecue, oven and wood stove) next to a swimming pool with waterfall and integrated spa.

All this with the convenience of home automation and a productive orchard, ensuring a superior quality of life just minutes from the center of Limeira. - REF: ITH4238
