Apartment B1 is a beautifully designed three-bedroom home located on the first floor of Project Ivis in Primošten, a modern residential building consisting of four floors plus an underground garage. With a southwest orientation, the apartment enjoys plenty of natural light throughout the day, as well as a pleasant sea view that enhances the overall living experience.

The closed living area measures 79.42 m² and includes three comfortable bedrooms, one bathroom, and a well-organized floor plan suited for both permanent living and holiday use. An elegant L-shaped terrace of 14.36 m² extends the living space outdoors, offering a perfect spot for relaxing and enjoying the Mediterranean atmosphere. The total net living surface of the apartment is 86.45 m².

The property comes with a 17.5 m² garage parking place and a 4.72 m² storage room located within the garage, bringing the total net area of the apartment to 97.56 m². Positioned in an excellent location close to the sea, with easy access and a peaceful surrounding, Apartment B1 represents a valuable investment in one of Primošten's most attractive residential zones.

The price is €390,000, calculated at €4,000 per m², VAT included, and the unit is owned by a company.
