Location:	Zadarska županija, Biograd na Moru, Biograd na Moru.

In a quiet part of Biograd na Moru, this cozy apartment of 46.10 m² is located, ideal for those looking for a balance between relaxation and the liveliness of a summer town.

The apartment is located in a house divided into four residential units, which gives the feeling of a small, intimate building and ensures additional peace and privacy.

A special value for this property is given by a spacious loggia oriented to the southwest, the perfect place to enjoy warm evenings and beautiful sunsets, with an open and pleasant view.

The location is extremely practical:
only 15 minutes of easy walking to the center of Biograd
about 20 minutes to the famous Soline beach
only 5 minutes walk to the Bure shopping center

The neighborhood is quiet and pleasant for everyday life, and yet close enough to all amenities and the summer atmosphere for those who like to be near the events.

With a little personal arrangement and decoration, this apartment can easily become a warm home for living all year round or an ideal place for a vacation and escape to the sea.

An excellent opportunity considering the price and location.
