Описание:

This exceptional penthouse stands as one of the most distinguished residences within Nacaré, embodying the full vision of the development at its highest expression. The property offers approximately 220 m² of interior living space, complemented by an expansive 154 m² main terrace and a private solarium of nearly 79 m², creating a multi-level outdoor experience. Positioned at the top of the building, the penthouse enjoys sea views, with architecture designed to maximise openness and light. Floor-to-ceiling glazing dissolves the boundary between inside and outside, allowing the landscape to become an integral part of the living experience. The private solarium elevates the property into a true signature residence, offering space for lounging, entertaining, and creating a personalised outdoor retreat. The scale and proportions of both interior and exterior areas reflect the development's commitment to generosity of space and refined living. As part of Nacaré's boutique concept, this penthouse benefits from a carefully curated residential environment, where design, services, and community are seamlessly integrated. The Owners Club further enhances the lifestyle offering, introducing a layer of exclusivity through shared spaces dedicated to wellbeing, social interaction, and personalised experiences.
