Описание:

South of the Loire, in a dynamic municipality with shops and services just a few minutes' walk away, this character-laden building on a plot of approximately 2302 m² consists of a beautiful main room with exposed beams, parquet flooring, and tiles. A wood stove, a shower room, and a separate WC. Two annex rooms provide discreet storage and free up living spaces for daily life. An adjoining room with an independent entrance; guest room, seasonal rental, office... Upstairs, there are convertible attics. Extending from the house, a very nice workshop allows for considering a professional activity, a third place, an associative or cultural activity, a shared space. Then, adjacent to the opposing gable, a barn offering additional storage space or rehabilitation for housing. And in the continuity, a shed for storing gardening and DIY equipment, a trailer, and much more. Everything is on a garden with fruit trees set back and quiet.
