#### Описание:

Nestled in the peaceful hamlet of La Rochonnière, this charming set of three houses offers a wealth of possibilities, whether you dream of creating a family home, a holiday cottage complex, or an attractive rental investment. Just 10 minutes from the village of Chef-Boutonne, with all its amenities, shops, cafes, and services, the property enjoys a perfect balance between rural tranquility and everyday conveniences. Two houses are ready to move into, each with two bedrooms and retaining some character. A third house requires renovation, offering excellent potential to extend the living space or create additional rental accommodation. A large open barn is ideal for storage, as a workshop, or for future conversion (subject to planning permission). The good-sized plot offers the potential for gardens, parking, or leisure projects. This versatile property offers enormous development potential for those wishing to create a bed and breakfast business, a multigenerational living space, or a country retreat with rental income opportunities. All this in a peaceful rural setting, surrounded by nature, yet with easy access to local shops, schools, and services - a rare opportunity with huge potential.
