Your Dream Home offers you the perfect opportunity to design and shape the home you've always envisioned.

Explore this impressive 4 bedroom, 3 bathroom detached property set in one of Fuerteventura's most sought-after areas. Villaverde is renowned for its tranquil atmosphere, authentic charm, and stunning natural surroundings. Just a short drive from the lively village of Lajares and the popular coastal town of Corralejo, you'll have easy access to a wide range of restaurants, shops, and some of the island's finest beaches on both the east and west coasts.

Positioned on a generous 1,197 m² plot with 249 m² of built space, the property offers plenty of room both inside and out. The 192 m² of usable living area is thoughtfully arranged across four bedrooms and three bathrooms, making it an excellent choice for families who value comfort and space.

A standout feature is the charming interior Canarian-style patio—an inviting spot to have dinner, drinks, relax and enjoy the island's warm climate year-round.

While the home is pre-owned, it was never completed, therefore requires renovation and completion of the build, the 2006 construction provides a great foundation to tailor every detail to your personal taste.

With it's orientation, the property enjoys pleasant natural light throughout the day with stunning views of the surrounding volcanoes and Canarian landscape.

Don't miss this opportunity to own a home that perfectly blends space, location, and potential.

Make an appointment with Your Dream Home today to view it and imagine the possibilities.
