Описание:	

This warehouse for rent is located in a strategic area of Laudio Llodio, offering a generous area of 2,600 m². Its used condition allows for quick adaptation to different business needs. The proximity to supermarkets, bakeries and restaurants facilitates the daily management of any activity.

The location stands out for its accessibility, with bus stops and other services just a few minutes' walk away, ensuring convenience for both employees and customers. The residential and well-connected environment adds value to the property, allowing you to reduce dependence on the car.

The warehouse has a water and electricity supply from the main network, and has energy certification in process. It is an ideal opportunity for companies looking to grow in a functional and well-connected area.
