Добавлено:	13.05.2026

Описание:

Great commercial premises for sale on the corner, in the neighborhood of Amézola, with excellent visibility thanks to its large shop windows on the street and its southeast orientation.

The premises have approximately 300 m² built distributed over three floors. The ground floor and basement are very high.

Its distribution and location make it an ideal opportunity for commerce, office, clinic, academy, showroom or any business looking for spaciousness and a large foreign presence.
