Описание:

This beautiful pool villa has amazing views across the whole of Hua Hin and close up views of temples and mountains. The development is one of the few luxury projects in town and highly sort after because of the style and large elevated plots with unique Balinese designed property and large land areas. The property has in the main house a spacious living/dining/kitchen area, a master bedroom with ensuite bathroom, a guest bedroom and guest bathroom. In addition there is a separate 2 storey building that has two bedrooms, both ensuite with own private terraces leading to the gardens on the ground floor and an amazing open living area with kitchen and bar on the second floor that gives breath-taking views across the nearby town and out to sea. There is also a further 1 bedroom small villa for guests or maids quarters, a separate garage for 2 cars, storage and a area designed for growing vegetables. Outside the property also benefits from a lovely decking and sala area around the 15 meter long pool x 5 meter wide with quality Balinese pool tiles and infinity edge. This property is in great location and should be viewed to be fully appreciated
