Описание:	

This business unit for sale near Jordan Misja Street Tirana is a practical investment opportunity in a new building recently equipped with ownership certification.

The property has a surface of 75.43 m2 and is positioned on the ground floor making it suitable for different uses such as a business space office or service unit.

A key advantage of this property is its potential for conversion into 2 loft style duplex residential units with a ready architectural plan. This makes it attractive for investors looking to create rental units or maximize the property's functionality.
