Traditional Country House with 19th-Century Stone Mill for Sale with Sea and Mountain Views~For sale in Benissa, just 1 km from the historic center, a traditional country house with a mid-19th-century mill. The house sits on top of a flat hill on a 3,854 m2 plot of land, offering magnificent sea and mountain views. The south-facing house features a beautiful, deep covered terrace (naya), a palm tree, and grapevines. It comprises three bedrooms, a sitting room with a fireplace, a separate kitchen open to the naya, a bathroom, and a main living room. The house boasts high ceilings with exposed wooden beams.~The mill and well are located behind the house. The property includes vineyards and olive trees. The mill itself measures 27.30 m2 and could be restored to create a habitable space. It is also possible to build a 40 m2 swimming pool and terraces. As if that weren't enough, two rustic plots of land are included in the price, very close to the house: one of 4227m2 and another of 1966m2, ideal for cultivation or animal enclosures.~~In short, the property is unique due to its historic setting, authentic country house, great potential for restoration, location close to all amenities, and in the most sought-after area with sea views.
