Описание:

Off grid living for now with about 1880 feet of road needed for vehicular access, this untouched piece of Belize is ready to become someone's piece of paradise.

A shallow well and rainwater tanks is the main source of water for now but with the Belize River only a mile away, a rudimentary water system is possible.

This property offers fertile soil on flat land in a developing area and is perfect for a small homestead with easy access to schools, shopping and other services in Belmopan or Cotton tree.
