Описание:

Location: Primorsko-goranska županija, Rijeka, Bulevard.

In one of the most sought-after locations in Rijeka, on the Boulevard, is this apartment consisting of a hallway, kitchen with living room, two bedrooms and a bathroom.

The apartment is located in a quiet, dead-end street, just a few minutes walk from Korzo and all the amenities that the city center offers, while at the same time providing privacy and silence.

The apartment has been renovated - the electricity and water installations have been replaced, new PVC joinery has been installed, the floors have been renovated and underfloor heating in the bathroom has been installed.

High ceilings of 3.10 m, plenty of daylight and spacious rooms further emphasize the feeling of comfort. A special advantage of this location is the quiet environment and the possibility of free parking in the immediate vicinity of the building, which represents a great value for living in the city center.

This property is ideal for buyers looking for an apartment without the need for additional investments, in one of the most desirable locations in Rijeka.
