Set within a unique Mediterranean landscape, this exceptional property offers the perfect combination of luxury living, privacy and income potential. Situated on a total plot of 9,480 m² in the sought-after area of Camino Fabregat, Orihuela, this impressive estate includes a spacious villa, beautifully landscaped grounds and a productive lemon plantation. The main residence offers 495 m² of living space and sits within a fully fenced 1,000 m² private garden. The villa features five generous bedrooms and three bathrooms, providing ample space for family living or entertaining guests. Outside, the property has been designed to enjoy the Mediterranean lifestyle to the fullest, with a newly constructed swimming pool completed in 2025, attractive garden areas, and a fantastic barbecue area complete with a traditional wood-fired oven. High-quality finishes throughout further enhance the property's appeal. Beyond the fenced garden lies an additional 8,480 m² of private land planted with approximately 400 lemon trees currently in production. The plantation generates an estimated annual income of between €15,000 and €20,000, making this a rare opportunity to enjoy both a beautiful home and an established agricultural investment. Ideally located on Camino Fabregat, 29, the property is just minutes from Orihuela city centre, Bigastro and the Ociopía Shopping Centre. The beautiful beaches of Torrevieja and Campoamor are approximately 30 minutes away, while several prestigious golf courses are within easy reach.
