Описание:

This plot of land located in Barão de São Miguel offers a unique opportunity to build a space with privileged views of the countryside and mountains. With a land area of 1585 m² and a built area of 250 m², it is perfect for those seeking a spacious and tranquil environment. The property offers easy access to beaches of Praia da Luz, Burgau and Cabanas Velhas, just a few km away, and various amenities such as shopping, golf, and with Faro International airport approximately 50 minutes away. The existing project is for a large modern home with a private swimming pool, ideal for enjoying the region's wonderful climate. Its location allows for a perfect balance between nature and urban convenience, making it an excellent choice for those who value quality of life and privacy.

This project also benefits from:

Approved PIP - an official, binding decision from a local municipality confirming that your intended construction, renovation, or change-of-use project is feasible and legally complies with local zoning and urban planning laws

Geological survey already completed

Water and electricity infrastructure available for connection

An exciting opportunity for those who value peace and tranquillity within nature, without compromising proximity to beaches and the main urban centres and attractions of the region.

Full support can be provided for a turnkey villa giving the buyer peace of mind through to completion of the project. - REF: T/06300
