Описание:  
&#13;&#13;

Beautiful plot with great potential for building a detached single-family home, located just 2 km from the center of Hondón de los Frailes, where you can enjoy all services and amenities.&#13;&#13;

The property has access via a paved road and is situated in a very अच्छी area. The plot is planted with productive almond trees, offering a charming natural setting and spectacular views, especially during the flowering season.&#13;&#13;

Electricity is already connected, and both water and sewage connections are available along the same road for easy installation.&#13;&#13;

Hondón de los Frailes is currently in the final stages of approving its General Urban Development Plan. Once approved, it will be possible to apply for a building license at the Town Hall to construct your dream home in a peaceful, natural environment with excellent features.
