#### Описание:

Situated in the beautiful and popular pueblo Blanco of El Gastor we bring you Los Caracoles.

Centrally located within a stones throw of the amenities and the main plaza of the village this two bedroom home is well maintained , furnished and presented .

The ground floor is a semi open plan layout with living and dining area plus a colourful rustic built kitchen that has a breakfast bar which separates the areas , there is a tiled light well patio which houses the hot water heater and brings natural light into the kitchen , the newly fitted front door is quality wood look aluminium and a double glazed window beside it overlooks the pretty street .

The first floor is accessed via a space saving spiral staircase which takes you up to spacious master bedroom which has a Juliet balcony , good sized wardrobes and is directly next door to the family bathroom , which is brightly tiled , has a fully screened shower , large vanity with storage and a loo .

The top floor houses a single bedroom which is light bright and cozy , then there is an open & bright space which has been used as a home office but is actually a third bedroom , this space gives access to the roof terrace which has space for table and chairs to enjoy the lovely views towards Olvera and on one side and the pine tree covered hills behind the village .

With no work required this is an easy move in ready option in the heart of a beautiful village that has all the usual amenities including a fabulous municipal pool with a fantastic restaurant and all this just 30 mins from Ronda.
