Описание:	

This used villa, located in Vendas Novas, has a practical configuration for housing, with 2 bedrooms and 1 bathroom. The property has a construction area of 73 m², set in a plot of 750 m².

Built in 1988, the property includes a storage room support room, offering additional storage space and utilities. Energy certification is in process. They have a well with a lot of water.

The area offers a functional residential environment, with essential services within walking distance. Campos da Misericórdia Primary School is within 5 minutes, while Continente Bom Dia is approximately a 9-minute walk away.

There is also a pharmacy about 10 minutes away and leisure options in public gardens around 13 to 14 minutes. For meals and drinks, the most varied offer is within an 11 to 14-minute walk.

An interesting opportunity to live close to everyday life and enjoy a large plot of land, with potential for different outdoor projects.
