Описание:	New Ecosign Homes in Fuengirola!

An exclusive development of contemporary townhouses in El Higuerón, one of the Costa del Sol's most sought-after residential areas, designed to offer a sustainable, modern lifestyle in harmony with nature. This outstanding project combines contemporary architecture, energy efficiency, and everyday comfort within a private and carefully designed community.

The development comprises 40 stylish townhouses built using an innovative industrialised construction system, delivering exceptional build quality, faster construction times, and outstanding energy efficiency.

Each home has been thoughtfully designed to maximise natural light while providing excellent thermal and acoustic comfort. Solar technology, smart home features, and sustainable building materials help reduce energy consumption and minimise environmental impact.

Residents will enjoy an exceptional selection of communal facilities designed to promote wellbeing and outdoor living, including an infinity swimming pool, children's pool, outdoor social club, sauna, urban garden, walking paths, and dedicated wellness areas for yoga, relaxation, and connecting with nature.
