Описание:

The plots Patrax Lot 6 and 7 in La Nucía are located approximately 3 kilometers from the sea. This means they are relatively close to the coast, which is ideal for those who want to enjoy the Mediterranean climate without living directly on the beach.

The nearest beaches are in Altea and Benidorm, both about 10 kilometers from La Nucía. Altea is known for its picturesque old town and tranquil atmosphere, while Benidorm is famous for its lively nightlife and wide sandy beaches. It is possible to build the project shown in the photos.
