Описание:	

A site designated for a major project in Taíba, an area rapidly appreciating in value.

Located next to the municipality of São Gonçalo do Amarante—70 km from Fortaleza—the area features dunes, cliffs, lagoons, natural pools, and caves with waterfalls, offering a daily spectacle of harmony with nature. The region has been gaining momentum in recent years, particularly in the real estate market. It is already home to one of Brazil's most luxurious hotels—the 6-star Carmel Taíba Exclusive Resort—and other major hotel developments are currently being established. Additionally, the area hosts internationally recognized events such as the Escargot Festival and championships for surfing, kitesurfing, and windsurfing.

The region has become a retreat for famous artists and celebrities, drawn by the prevailing sense of tranquility and security.

As a specialist, I can tell you: a "new Trancoso" is emerging. You can be part of this major evolution and

achieve extraordinary returns!
